Dear Dr Tate:

I am taking this opportunity to congratulate you and your staff on the wonderful job you are doing in supervising the Prometheans. Due to your encouraging efforts not an A.S.T.P. student can doubt that the Prometheans have a great future in store for them.

There are many of the old group in my outfit. They too have ^{done} did and are continuing to do a great job. Most of them have been awarded the combat medics badge for their efforts. A few of the names that might be familiar are Miles Harrison, Elmer Anderson, Romero Green, James Whitmore, Charlie Jackson, Eugene Guinn and Joe Bailey. All send you their congratulations on a hard job well done and all are waiting for the time when we can merge our efforts and make the Prometheans what it will be.

May God bless and keep you
yours.
